

Clean Mobility Options: Eligible Project Area

Three categories of eligible project area. An interactive map of AB 1550 and SB 535 can be viewed here: <https://ww3.arb.ca.gov/cc/capandtrade/auctionproceeds/lowincomemapfull.htm>

The CMO eligible project areas include:

- 1. Disadvantaged Communities (DACs) in accordance with CalEPA's designation:** Top 25% scoring areas from [CalEnviroScreen3.0](#) along with other areas with high amounts of pollution and low populations. A list of eligible census tracts is [available here](#).
- 2. Eligible tribal lands.** These include:
 - a. Federally-recognized tribal lands or tribally-owned properties within SB 535 Disadvantaged Communities
 - b. Federally-recognized tribal lands or tribally-owned properties within [AB 1550 designated Low-Income Communities](#).

All California Native American Tribes are eligible to apply, including all Federally-recognized tribes in California listed on the most recent notice of the Federal Register and other non-federally recognized California tribal governments, including those listed on the California Tribal Consultation List maintained by the California Native American Heritage Commission. A list of eligible Federally-recognized tribes is [available here](#).

- 3. Affordable housing facilities within AB 1550 designated Low-Income Communities.** These affordable housing facilities must meet the following additional criteria:
 - a. The property must have at least five units
 - b. The property must be deed-restricted low-income residential housing, where at least 80 percent of property residents have incomes at or below 60 percent of the area median income (AMI)

All affordable housing sites in DACs fall under item 1 above and do not need to meet these additional requirements to be eligible.

If you believe your community is eligible and not on the above list, please contact the administrator team at info@cleanmobilityoptions.org

Eligibility requirements are described in the Clean Mobility Options Voucher Pilot Implementation Manual (IM). The IM is the governing document for the CMO Voucher Pilot, and provides detail on how the program works and the requirements for applicants and awardees. The IM is currently under development. Details on this page are subject to change and applicants should refer to the IM once published.
